**Plaza NHH**

**Where:**

Plaza nhh. Drinks and snacks available for purchase.

**What:**

Hand-and-brain is a chess variant where each color is played by two people. One of them (the "brain") announces one of the six pieces—king, queen, rook, bishop, knight, or pawn—and the other player (the "hand") moves any of the named piece on the board that has a legal move.

**Who:**

All levels of play welcome, fair teams will be built on tournament day. Spectators welcome.

**Time control:**

10 minutes per player and game, no increment.

**Mode:**

Fair teams will be formed on tournament day (pairing new players with more experienced partners). Those teams play each other in knockout format, depending on no. of participants double or single elimination

**Cost & Registration:**

Registration until **14.11.25**, limited to 20 participants:
